

BRICKHILL 

PARISH COUNCIL

March 2015

Easter Activity Sessions - £5.00 per child per session

Dear Parent,

Your child is booked onto the Easter Activity camps organised by Brickhill Parish Council. These activities will be delivered by the Sport Support group on behalf of the parish council and run from **9am – 1pm** on the following dates:

1st April - Wild Survival

8th April – Archery & Laser Clay Pigeon Shooting

The activities will take place in the grounds of Scott Lower School (Scott Lower School, Hawk Drive, Brickhill MK41 7JA) please go to the main car park entrance. An instructor from Sport Support will be on site and once you have registered your child you may then leave them. Please collect your child promptly at 1pm from the main car park.

As the activities are taking place outdoors please ensure your child attends in appropriate outdoor clothing with sturdy footwear and remember to pack waterproofs (it might be a good idea to pack spare clothes). If the weather is good please ensure your children have sun cream and a sunhat.

Your child will require a packed lunch and drink(s) as there will be a break during the activities.

Please complete the parent consent form and include with payment at time of booking.

Our offices will be open should you need to contact the office for any reason. Our number is listed below. I hope that your children enjoy the activities and thank you for booking these activities.

Yours sincerely,

Alison Southern
Assistant Clerk
